Workshops: 6:00-8:00pm

American fingerstyle wizard Richard Gilewitz packs in years of experience from playing and conducting guitar and ukulele workshops worldwide, sharing some real live hints on increasing playing skills - unlocking the mystery of the right-hand language to propel you to the next level. **Workshop is a group study, designed for all levels from beginner to advanced player.** Students should know how to tune their instrument and have knowledge of chords. This is a rare opportunity to study with this master teacher who is the creator of "GillaCamp"- the ultimate guitar experience and author of Mel Bay Publications' popular sellers, *Acoustic Fingerstyle Guitar Workshop* book and *First Lessons: Fingerstyle Ukulele*, plus TrueFire's interactive video lessons. These POWER WORKSHOPS allow students to quickly zone in on their strengths and weaknesses of their playing techniques. Bring your instruments, paper and pencil for notes, and be ready to have a blast.

Fingerstyle Techniques and Rhythms for Guitar and Ukulele

Learn chops, licks, knuckles and stuff that will start your fingerpicking engine which is the base for fingerstyle guitar and ukulele. Learn easy picking patterns, strumming, chord shapes, transfers, and how to add life to your tunes with fingerstyle playing. Add some important rhythm techniques and your world will expand beyond your wildest dreams. Beginners will easily pick up techniques while advanced ukulele/guitar players will experience the fun of fingerstyle patterns.
